

FULL-TIME

UPHOLSTERER

RECRUITMENT 2026 - LONDON

JOUFFRE LTD

Established in 1987 in Lyon, a city renowned for its rich textile heritage, Jouffre stands at the pinnacle of luxury upholstery and window treatments. While our roots are deeply anchored in France, our expertise stretches globally with dedicated craftsmen and teams stationed in Long Island City, New York, Lyon, Rabat and soon in London. Serving the visions of the world's most distinguished interior designers, we've been entrusted with projects spanning private residences, renowned hotels, and other prestigious spaces.

At Jouffre, our daily mission is to breathe life into time-honored craftsmanship, translating the audacious visions of international designers into tangible luxury. Beyond our craft, we are staunch believers in nurturing the growth of our team members. We foster an environment that celebrates initiative, autonomy, responsibility, and unwavering dedication. Join us, and be a part of a legacy where tradition meets innovation.

In 2025, Jouffre launched its new UK subsidiary, Jouffre Limited, operating in North London. More than just an expansion, this venture is an exciting opportunity to build something truly exceptional from the ground up. Join us and be part of this new chapter.

MAIN MISSION

Carry out, from the beginning to the end, all the stages of manufacturing furniture (armchairs, drapes, beds, sofas and seats) according to precise and defined conditions

MISSIONS

- Creating templates
- Cutting fabrics
- Cutting and shaping foam for seats and backs
- Making the traditional and modern seat stuffing (webbing, springs, horsehair, foam)
- Making and covering pillow and cushions
- Sewing both by hand and by machine
- Upholstering any types of furniture

PROFILE

We are looking for an Experienced Upholsterer autonomous and proactive with strong technical skills in upholstery! The ideal candidate will be able to work in a team and must have a real ability to transmit and share their know-how.

The right candidate must have the ability to complete jobs following a schedule, sometimes in a short time, while maintaining a high level of quality and without compromising the integrity of the job.

Qualifications needed:

- **Mastery of traditional and modern inside upholstery is required**
- **Mastery of cutting, sewing, templating and upholstering is expected**
- **Mastery of leather and wall upholstery is a real plus**
- Experience: **5 to 10 years** (*in making new furniture as well as in reupholstery*)
- Language: **English mandatory**, French is a plus
